

West Valley Recycles!

WEST VALLEY
COLLECTION & RECYCLING, LLC.

Improved WVC&R Residential Services

Now you can recycle your **household batteries** curbside! Place used alkaline batteries in a clear sealed plastic bag on the top of your recycling cart.

You can place **fruits and vegetables from the garden** in the yard trimmings cart. *To clarify: these are pre-kitchen fruits and vegetables that are from your garden or orchard. For example, apples that drop on the ground from the apple tree in the back yard or tomatoes that are still on the plant when it's pulled from the ground.*

You may place **extra cardboard** next to your cart as long as it is in a bundle. All cardboard must be cut down to size to fit in your cart. Our driver will place the extra cardboard in your cart and use the automated arm of our truck to collect the material. All loose items will not be collected.

Holiday Tree Collection

Beginning December 26th 2013 and continuing through January 24th 2014, WVC&R will collect up to two Holiday trees per residence as part of your regular yard waste collection.

- Undecorated natural or flocked holiday trees are acceptable.
- Please remove stands, tinsel and decorations.
- All trees must be cut into 5-foot or preferably shorter lengths.
- Place the tree at least one foot away from WVC&R carts.

West Valley Recycles!

Have construction debris or a large clean up project on your hands? **You need a roll-off box.**

WVC&R is the exclusive roll-off and debris box provider in Campbell, Saratoga, Los Gatos, and Monte Sereno. Call **(408) 283-9250** to order a roll-off box for your next big project.

Proper Cart Set Out

On collection day, a few simple steps can help to ensure that your garbage, green waste and recycling carts are collected quickly and efficiently and that our streets and communities remain clean, neat and litter free. Follow these guidelines:

- Place wheels against the curb and position bins 2 feet apart.
- Keep carts at least 5 feet away from parked cars.
- Please keep cars clear of bins on collection days.
- Keep area free of debris and obstructions such as basketball hoops.

- Flatten and break down all cardboard. This will maximize the capacity in your recycling cart.
- Do not overstuff bins.
- Please be sure lids are closed without materials sticking out of the top.
- Keep recycling!

Important to Note
