

West Valley Recycles!

WVC&R's 7th Annual Holiday Bike Giveaway

A highlight of the holidays is always giving a meaningful gift to someone who truly cherishes it. At West Valley Collection & Recycling, we are lucky enough to experience that feeling 50 times over! For the past 7 years, West Valley has gifted new children's bikes and helmets to K-8 students selected by their teachers across the Campbell School District, and this year was no different. The auditorium at Monroe Middle School was all smiles on December 18th, when West Valley staff members wheeled out each bike as its new owner's name was called. Students lined up to high five Gary Berg and Joe Cefalu - Police Captains, Brian Loventhal - City Manager, Rich Waterman - Campbell's Mayor, Juliana Park-representing California State Assembly Member Evan Low, Dave Livingston - President, Campbell Police Officers' Association, plus a number of officers, and Bret Faulkner - District Manager West Valley Collection & Recycling, and were then united with their new bikes.

Although we only give away bikes once a year, we would love to visit your local school any time! WVC&R offers students presentations on recycling and environmental stewardship. Encourage your child's teacher or administrator to contact our Outreach Coordinator Tim Elias at tim.elias@wasteconnections.com.

Help Soak Up the Rain with a Rain Garden!

When it rains, stormwater runoff carries pollutants such as fertilizers and pesticides directly into the storm drains where it flows untreated to our local creeks and on to the Bay. Help soak up the rain and pollutants with a rain garden!

Rain gardens are shallow, vegetated basins that collect and absorb rainwater from rooftops, driveways, sidewalks and streets. Planted with grasses and flowering perennials, rain gardens can be beautiful, cost effective and filter out pollutants in the runoff from your home before it reaches our local creeks. In addition to recharging groundwater, rain gardens also provide a source of food and habitat for birds, butterflies, and other wildlife.

Help protect the Bay and local creeks by planting a rain garden! For more information, please visit our website at www.cleancreeks.org.

Remember, only rain in the storm drain!

Important to Note

Roll-Off and Debris Box
WVC&R is the exclusive roll-off and debris box provider in Campbell, Los Gatos, Monte Sereno, and Saratoga. To schedule a delivery, please contact Customer Service at **(408) 283-9250** or by email at customerservice@westvalleyrecycles.com

Donate: If you have extra furniture, office supplies, or clothing in good condition, before choosing to toss it in the garbage or recycling, donate them to your local Goodwill, schools or other charitable organizations.
